DIVINE MERCY FOUNDATION'S PROJECT REPORT

The background is a deep blue gradient with a subtle pattern of white dots. Overlaid on this are several faint, white geometric elements: concentric circles, arcs, and dashed lines. Some of these elements include degree markings, such as 40, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, and 260, arranged in a circular fashion. There are also small arrows pointing in various directions, suggesting a sense of rotation or movement.

EDUCATION AND SPONSORSHIP

Divine Mercy Foundation

The condition of refugees is degrading every day in south Africa. Yet the number of refugees and poor people continue to grow every day. The reasons for this degrading situation could be:

- The systematic refusal of the South African immigration to give paper to refugees;
- The denial of their right to be able have job opportunities. This creates prostitution, homelessness and substance abuse
- The daily threats against Black foreigners called “operation dudula”, i.e., driving foreign nationals out of south Africa by means of violence.
- The Covid – 19 that has affected the general economy of the Country
- The floods that has broken-down industries and commerce

BEADING PROJECT

We have already purchased the material needed. What we need is the money to pay the teachers.

1 Session per week.

(Rate X 4 hours per session) = R200 X 4=800

Monthly: R3200 per teacher

Yearly (R32000) per teacher

We need 2 Teachers

We are looking for partners who can accept to buy the items made by our students, which will generate income for the organization. Hence the organization could be self-dependant in the next 5 years.

BEADING PROJECTS

The background is a gradient of dark blue and purple, speckled with small white dots. Overlaid on this are several concentric circles and arcs in a lighter shade of blue. A prominent circular scale with degree markings (40, 150, 160, 170, 180, 190, 210, 220, 230, 240, 250, 260) is visible on the left side. Various curved arrows and dashed lines are also present, creating a sense of motion and geometry.

Application: Re: "Skill training – Education and Empowerment of families / Soup-Kitchen" – Project - budget 2023.

Dear Rev. Fr. Reinhold,
Greetings of Peace and love!

We welcome you as the new mission Secretary of the Heart of Jesus Province! Congratulations!

All our gratitude for all the support we have been receiving from Germany before and throughout this pandemic of Covid-19, which is still affecting the entire world and even more undeveloped areas. The recent flood and attacks including threats on refugees and foreign nationals here in South Africa have called the Church and secular organization to find new approaches and new responses. In line with what Cathongo Creations of St Peter's started doing since 2019, crucial areas of focus can be identified for the budget 2023. This include, the education of young refugees and other disadvantaged children, the feeding of the homeless by giving them a daily meal through our soup-kitchen; the training program (Sewing, beading, baking, crocheting), and the support of families through small businesses. Due to the flood and the age, the Parish of St Peter's the Parish roof has been affected. We also need your assistance since we have tried to fix part of the roof. The following projects are already running within the Parish.

1) "Educating One child per family, win a bread winner"

The family should choose one child, preferably the one with highest level of education or capable to learn a skill. For 2023 budget, we observe that little children and basic education is very delicate. So, it is important to assist children in their tender age. The aim is to give every child a chance for education but also to get a bread winner or someone, who in the years to come, will be able to take care of the rest of the family. For this year 2023, We have (11) children for day care (**R62 400**). One child per year is about **R6000**. We also have 24 children at the primary school (**R120 000**) with **R5000** yearly. We only accepted to sponsor 06 learners for welding courses (**R26703,60**) where each trainee is to pay (USD 329) every year for 3 years formation course. This year left out student's university and high schools because the high fees. Our 04 students of last year and many others in need of assistance are still on their journey. We want to put more accent on training and skills. **Total amount requested for education: R209103,6.**

2) Soup-kitchen and equipment

The Soup-kitchen remains an important place in our apostolate to the homeless whose number is growing daily. Every day from Monday to Saturday we feed more than **R200000** homeless. We make

sandwiches for Sundays. We also render counselling services during the feeding and try to help some homeless get off the street. We also have a huge challenge of stocking fresh food. We need a need deep freezer and new fridge. We request about an amount of **R157 702,04** to run our soup-kitchen feeding scheme and R57599,00 for cleaning material and appliances. **Total Soup-kitchen and equipment: 215301,04 (See Business plan).**

3) Skills-training: Sewing/ Baking/ Beading

The support to families for small business has now changed to a better training program. By training women and girls on skills such as sewing, baking, beading, we offer them to potential that they could use anywhere in the world. We also aim at making item that many shop could buy and help support these poor families and our organization as well. All the three training programs are already running but in a very slow motion. We hereby request for support to boost the projects efficiently. **Sewing project: R84024 ; Baking project: 14568,75; Beading project: R64000. Total Skills-training: R226592, 00**

4) St Peter's Catholic - Roof Repair

Our Parish is very old. To date the Church building is 92 years old. Moreover, In April and May this year there was a devastating storm and flood that caused terrible damages in the whole city of Durban. Our main church building was included. We tried to fix part of the roof and building in July. Now we are still struggling with fixing some part of the roof. Please find attached the quotation for the roof that still need repair (**R56276,69**). Many thanks. (See business plan)

In total, our request for our activities including education, soup-kitchen, skills-training, roof repair is R 643,274.08

We hereby please appeal that you may include us into the budget 2022.

Thanks in advance!

r. Georges Roger Bidzogo sac
